Dear Parent or Guardian:

Re: Student Accident Insurance

The Huron-Perth Catholic District School Board does not provide accident insurance coverage for student injuries that occur on school premises or during school activities. Accidents can and do happen. Some injuries incur medical, dental or other expenses that are not covered by provincial health care or employer group plans. As a parent or guardian, you are responsible for these expenses.

Under the Education Act, the Board is empowered to make available an Accident and Life Insurance Program for students. **Participation in such a program is voluntary and the costs are to be paid by the parent or guardian.**

This year families have a choice between two (2) Providers for the purchase of Student Accident Insurance. Both Providers offer a variety of plans and benefits at affordable annual prices.
